# FACTS

**Welcome fellow adventurers, to the magical land of Wales!**

Prepare to be enchanted by our stunning landscapes, ancient castles, and rich history that could rival any fantasy novel. From the land of leeks and dragons to the birthplace of musical and poet legends, Wales is a country that packs a punch with its fascinating facts.

**1** Our National Day: St David's Day which is celebrated on 1 March

**2** Our National symbols: The dragon, daffodil and leek

Wales has three National Parks - Pembrokeshire, Eryri & Bannau Brycheiniog

**3** Our National Anthem: Hen Wlad fy Nhadau (Land of my Fathers)

**4** Our Biggest natural lake: Llyn Tegid in Gwynedd

**5** Our Highest mountain: Yr Wyddfa (Snowdon), Eryri (Snowdonia National Park), at 1,085m (3,560ft).

**6** Popular Food - Welsh rarebit, cawl and Welsh cakes

**7** Our Longest placename: Llanfairpwllgwyngyllgogerychwyrndrobwll-llantysiliogogoch

**8** Popular Export? Penderyn whisky

Did you know that Wales boasts more castles per square mile than any other country in the world?
